Dear Mr. Broadbent:

This is to advise you that the Bay Area Air Quality Management District is issuing an administrative amendment to the Major Facility Review Permit for the Anheuser-Busch, Inc. (Facility Number A0606).

MARIN COUNTY

Harold C. Brown, Jr.

The purpose of the amendment is to correct some typographical errors. The monitoring frequency for the particulate limits in Table VII-B has been changed from P/W (periodic – weekly) to P/M (periodic – monthly), which reflects the actual condition requirement. Table VII-G also was amended to accurately reflect the source numbers.
